Golf Club Introduction:

- Anyone who is interested can join. Is hoping to help and bring golfers with any experience to a club in Saint Mary’s.
 - 1st Goal: Running the golf simulator and keeping it up. Keeping a good experience for the students who are using it. There is a hope that all golf club members will be able to use the golf simulator a decent amount, as well.
 - 2nd Goal: Throughout the winter months to do weekly scores and competitions.
 - 3rd Goal: As it warms up outside, we are hoping to get a part of a local golf course and hopefully have some free rounds at the course.
 - There were 8 signatures who were interested, but also more seemed interested in Golf Club.

Golf Club is Senate Recognized! Everyone agreed.

Resolution 001: Card Scanner for Golf Club Simulator

- This would give a security standpoint on the golf simulator and would grant certain people access and would be given through Campus Safety.
- It would cost around \$3,500 for all of this to be implemented.
- There would be training days for people to learn how to use the golf simulator and know how to use it properly. These people would be granted key card access.
- There would be time intervals that students could “rent” it out to use for a time being.
